The Scoring System

The scores for each category are marked from 5 for the best scenario to 1 for the worst.

- (1) 5 means clients are unlikely to see another car in the park, 1 means that they are likely to see 10 or more cars in a day
- (2) 5 means large numbers of game all across the park, 1 means small numbers and in isolated spots
- (3) 5 means park is green, vibrant and at its very best, 1 means park is dry and most probably heavily burned
- (4) 5 means viewing almost guaranteed, 1 means viewing unlikely
- (5) As per number 4
- (6) As per number 4
- (7) 5 means excellent viewing, including unusual migrants. Bird numbers are always excellent in the reserve
- (8) 5 means all roads are accessible, 1 means most roads are closed by the rain
- (9) 5 means warm days, cool evenings and low humidity, 1 means uncomfortably high temperatures and high humidity
